

# Tohoku University Open Campus 2010

Tohoku University Open Campus was held on July 28 and 29, and WPI-AIMR opened a booth in the Physics A Building, Aobayama Campus to show Tohoku University's activities to high school students. Chemical experiments (reactions and synthesis) and physical experiments (transistor characteristics) were demonstrated, and an introduction of WPI-AIMR was presented using posters and magazines.

Entrance of the booth just before opening

Last visitors were elementary school students.

Thank you very much for your visit to our booth.

Staff members demonstrated some experiments

[Chemistry]  
Shinichiro Abe  
Daiki Motomura

Master course students  
Department of Physics  
Graduate School of Science  
(Organosoft and Hybrid Materials Laboratory, WPI-AIMR)

[Physics]  
Susumu Ikeda

Outreach Manager,WPI-AIMR  
Ph.D.
