

Developing a Global Network for Nanotechnology Innovation

from Tohoku, Japan Online Symposium

Date: March 28th, 2022 Time: 16:30–21:30 (JST) Language: English

Opening Remarks

16:30 Prof. Motoko Kotani
Executive Vice President for Research, Tohoku University

16:35 Eiichiro Matsubara, Ph.D
Project Director of Materealize Project
Guest Professor, Global Base for Nano & Life Innovation Research, Waseda University
Professor Emeritus, Kyoto University

Keynote Lecture

16:40 Prof. Tadafumi Adschiri
Advanced Institute for Materials Research, Tohoku University

Presentations

The schedule may be subject to change.

17:20 Prof. Shin-ichi Orimo
Director
Advanced Institute for Materials Research, Tohoku University

17:45 Prof. Xiang Lan
Tsinghua University

18:10 Prof. Cyril Aymonier
ICMCB, the University of Bordeaux

18:35 Prof. Guido Sonnemann
The University of Bordeaux

19:00 Prof. Dr. Wolfgang Peukert
Friedrich–Alexander University Erlangen–Nürnberg

19:25 Prof. Yasuhiro Fukushima
Tohoku University

19:50 Prof. Hiroshi Inomata
Tohoku University

20:15 Prof. Naomi Kitakawa
Tohoku University

20:40 Prof. Takao Tsukada
Tohoku University

21:05 Dr. Reiko Oda
CNRS, The University of Bordeaux

Closing Remarks

21:30 Prof. Tadafumi Adschiri
