

Lecture announcement regarding a cutting-edge research on
“Hydrogen Storage Materials”

Lecturer:

Dr. Sanliang LING

Associate Professor, Nottingham University, UK

Director, EPSRC Centre for Doctoral Training in Sustainable Hydrogen –
SusHy

Title:

Computational and Data Driven Discovery of Solid-State Hydrogen Storage
Materials

Date and Time:

Friday, January 26, 2024, 10:00–11:00 AM

Venue:

AIMR Combination Room (5F)

Coordinators:

Assistant Professors Linda ZHANG (FRIS) and Ryuhei SATO (AIMR)
