

**Dr. Khademhosseini receives the 2010 American Chemical Society (ACS) Unilever Award.**

Dr. Khademhosseini, Junior PI of Device/System Construction Thrust, was selected as the winner of the ACS Colloid and Surface Science Division Unilever Award for 2010. The award is to recognize and encourage fundamental work in colloid or surfactant science carried out in North America by researchers in the early stages of their careers. The award consists of \$3,000 and a plaque. In addition, up to \$1000 will be provided towards travel expenses to the meeting at which the award will be presented. The award presentation and the lecture will be held during the IACIS/ACS 84<sup>th</sup> Colloid and Surface Science Division joint meeting at The University of Akron in Akron, Ohio on June 20-23, 2010 (<http://www.colloids2010.org>).
