

**Outreach magazine "TOHOKU WPI TSU-SHIN" vol.1 just issued.**

"TOHOKU WPI TSU-SHIN" vol.1 (only in Japanese) edited by the outreach manager of WPI-AIMR, Dr Ikeda was issued at the beginning of June. This magazine aims at providing in an accessible manner the public with the information on the target of WPI program to establish the top class research center in the world and on the research activities at WPI-AIMR. Three numbers will be published per year. The column "SQUARE" at the last page of the magazine welcomes the questions and comments in order to facilitate the mutual understanding between the readers and AIMR researchers.
