

**Professor M. Kawasaki (PI) will be awarded "8th Honda Frontier Award" for 2011.**

"The Honda Frontier Award" is an annual award given by the Honda Memorial Foundation to recognize and encourage epoch-making invention or discovery in the materials science and technology. In 2011, this Prize will be awarded to Prof. Masashi Kawasaki, PI of Materials Physics Thrust in WPI-AIMR, for his achievement of "Exploration of novel opt-electric functionalities at atomically defined oxide interfaces ". The ceremony will be held on May 13, 2011 at Gakushi-kaikan in Tokyo.
