

## **Professor Kurihara honored with "A. E. Alexander Lecture Award".**

Prof. Kazue Kurihara, PI of Soft Materials Group, received The A. E. Alexander Lecture Award.

The A. E. Alexander Lecture Award is given biennially to recognize an individual who has demonstrated outstanding achievement in the field of Colloid and Interface Science.

The award lecture was given at The Fifth Biennial Australian Colloid & Interface Symposium (ACIS2011) at Tasmania, Australia, on 31 January 2011, and at The Sydney University, Australia, on 4 February 2011.
