

**Professor Itaya (PI) honored with "The Prix Jacques Tacussel Award of the International Society of Electrochemistry".**

Professor Itaya, PI of WPI-AIMR, has been selected as the winner of the Prix Jacques Tacussel of the International Society of Electrochemistry (ISE), in recognition of his pioneering development of atomic-resolution in-situ scanning tunneling microscopy (STM) and laser confocal microscope combined with a differential interference contrast microscope (LCM-DIM) for electrochemistry.

The announcement of the prize will be made officially at the 2011 Annual ISE Meeting in Niigata, Japan. The announcement will be published on the ISE website after the Niigata Meeting. <http://www.ise-online.org/>

The Society will present the Prix Jacques Tacussel officially at the 2012 Annual Meeting in Prague, Czech Republic and Prof. Itaya will deliver a lecture at this meeting.
